At the top left is the Triple Coffee Co. logo, a stylized black three-lobed shape above the text "TRIPLE COFFEE CO.". To the right, the words "VIRTUAL COFFEE TASTING" are written in large, bold, blue capital letters. Below this, the date and time "SATURDAY JUNE 27 2020 11AM" are printed in black. Two small inset photos are positioned side-by-side: the left one shows a person in a green shirt and cap tasting coffee, and the right one shows hands stirring coffee in white cups. Hello Everyone,

I wanted to start this message with something like, “look what we’ve got brewing”...but I think I’ll just step away from the bad puns this morning.

I do want to announce that our popular “Virtual Coffee Tasting” event with Tim Melano is back for another round, **Saturday, June 27 at 11:00am.**

Some of you may have attended our initial coffee tasting at the Center in December, or our first virtual coffee event earlier this month, both hosted by Triple Coffee, a specialty coffee company headquartered in the Marina District. Just as before, Tim will guide us through a tasting of various, unique coffee blends, and we’ll be given special insights on the origin, growth, development and processing of these coffees by a partner coffee farmer from Central America.

The coffees we’ll be tasting this time will be from Marcala, Honduras.

If you are interested in participating, here is the link to purchase the 3 sample coffees being tasted.

Some useful points to remember:

\*You can use the discount code TRIPLEAQUATIC to receive *free* shipping on the coffee samples.

\*Please enter your **email address** when you are ordering the coffee.

\*Please **order your coffee by Tuesday, June 23**. Tim will get it to you on Wednesday, Thursday or Friday of next week.

I think you will find this an enjoyable afternoon of learning about, and drinking excellent coffee! Again, please go to the website to purchase the sample packs to rsvp as soon as you can.

Thank you,  
Frank
