

April 23, 2020

Good Morning Everyone,

I wanted to pass along a little more transportation information from Muni. They are now operating a small bus program that helps people go grocery shopping. The rides carry only a few people at a time, and you receive shopping or at least “carrying” assistance to your door. Here is their description with the link to the services below. Hope this is helpful. And as always, please share this with anyone you feel might need it.

“Shop-a-Round is a convenient, low-cost shuttle that makes it easier to go grocery shopping. The shuttle takes groups of riders to grocery stores or supermarkets in San Francisco where they want to shop. The service offers registered older adults and people with disabilities personalized assistance that is not available on Muni bus and rail lines.”
