

June 12 Monday Author Talk

Hello,

I want to give everyone a heads-up about an upcoming program sponsored by our colleagues at NEXT Village.

Our old friend Alex Pellegrini, who with his wife Leslie has led Women's and Men's Conversation Groups at Aquatic Park for many years, will be doing an author talk on Zoom about his book "Tales of a Native Son" that includes stories about the groups here at the Center.

This fascinating memoir has plenty of humor, loads of compassion, and much practical advice for seniors and the families that love them.

If you missed his presentation at the Center last year, would like to hear it again, or just want to catch-up with Alex, here is your chance!

Alex's presentation will be on **Monday, June 15 at 1:00pm.**

To attend, **please make sure to register at the link below.**

Register **at least 24+ hours in advance at bit.ly/NEXT-Reg to receive an email with the Zoom login/phone the day before the event.**

A big thank you to NEXT Village for this opportunity!

Thank you, and enjoy!

Frank
