

March 9, 2020

Hello Everyone,

We were just informed by our parent organization, Sequoia Living, that we will **close all classes and programs for the next two weeks** due to public safety concerns regarding the COVID-19 virus.

The following activities will remain in operation: **Project Open Hand Lunch, and pre-scheduled AARP Tax Assistance.**

Social Work services and ADRC services will also remain available through telephone appointment.

Apologies for the last minute notice, and for the inconvenience this may cause. We will keep everyone apprised of the situation as it unfolds. Please feel free to contact me for further information.

Thank you,  
Frank
