Hello Again Everyone,

Another resource I'd like to share, this one's a little more related to social "connectivity". My colleagues at the Downtown Center have created a new Facebook group that we want to offer as a space for all of our members and participants to help stay connected. We hope this will become a place where folks can be interactive, start chats about favorite topics, or just come to enjoy entertaining and uplifting notes, videos and items from around the web posted by our staff.

There are a few interesting tidbits on already, including a welcome video by Crystal Booth, the Program Supervisor for the Downtown site. If you're currently on Facebook, you can join us at this

Please pass this along to anyone you think might be interested. We want to make this a fun place where we can connect with each other. Hope to see you there!

**Thanks,
Frank**
